(France)**

Save the date !

Grenoble IAE Graduate School of Management of the University of Grenoble Alpes and the CERAG research centre affiliated to the CNRS, will have the great pleasure of hosting the next International Conference of the French Finance Association on **May 31st, June 1st and 2nd, 2017**

The French Finance Association Conference is one of the main European conferences in Finance

Keynote speakers

Prof. Yacine AÏT SAHALIA

Bendheim Center for Finance, Princeton University

Prof. Raman UPPAL

EDHEC Business School, London

The conference will be held at Grenoble IAE Graduate School of Management in Valence

Valence is located in the Rhône Valley, the main north-south link route in France: 2 hours from Paris, 30 minutes from Lyon city centre and Saint-Exupéry Airport and less than an hour from Marseille by high speed train.

Valence is a dynamic town on the left bank of the Rhône river bordered to the north by the renowned vineyards of Hermitage and to the south by « Drôme provençale » and its lavender fields where a visit of Grignan château, one of the most beautiful Renaissance châteaux in the south of France will be organised.
